

Folgende Situation Problem01:

Installation qfq Version: 25.0

1. Ich öffne das Formular und editiere das Semester.
2. Ich speichere die Änderung

ID	Title	Semester	Year	ECTS	Action
BIO111	Title BIO111	fall	2018	1	
BIO112	Title BIO112	spring	2018	2	X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
Course	Course title				X
BIO338	Introduction to Scientific Writing				X

3. Alle Angaben „Semester, Year und ECTS“, 1. und 2. Zeile werden nach save nicht mehr angezeigt. Das Kürzel und der Titel jedoch problemlos.

ID	Title	Semester	Year	ECTS	Action
