

QFQ - Bug #10257

Delete _link funktioniert nur, wenn der Parameter x zuletzt kommt.

14.03.2020 11:57 - Elias Villiger

Description	
Betrifft Delete-Links per AS _link (nicht AS _paged):	
Folgender Code rendert nur in den ersten zwei Fällen den Delete-Button, d.h. nur, wenn das Argument x nach U: aufgeführt wird!	
<pre>10.sql = SELECT 'D U:form=person&r=303 x' AS _link, '/', 'U:form=person&r=303 x D' AS _link, '/', 'D x U:form=person&r=303' AS _link, '/', 'x D U:form=person&r=303' AS _link</pre>
